- Call Now Link
 - This embeds a call now link (**No web site required!!**)
- Banner/Poster Link
 - This embeds both a call now link and a Banner or Poster (**No web site required!!**)

Features

The following are the features and capabilities of the QR Codes:

- **Customizable**
 - Add Logo
 - Change Colour scheme
 - Add menus without requiring website
 - Add Call Now without requiring website
 - Change QR Content without having to regenerate the QR Image

- **Value Add Services**
 - Enable/Disable QR Code Link
 - Track customer summary Scan/Clicks
 - Track customer details (date/time, location, IP, device)
